QUENSH V14 issued

BACKGROUND:

Version 14 of the LU Contract QUENSH Conditions (Standard S1552) has been issued. The changes from version 13 are as follows:

- All Written Notices that had been attached to V13 are now included in V14 of the standard.
- Renumbering of clauses following the incorporation of the written notices
- The QUENSH Menu identification columns for LU and Suppliers have also been re-positioned side by side to enhance ease of review.

There are NO changes to requirements beyond those previously communicated in the Written Notices attached to version V13. A summary of these written notices as follows;

WRITTEN NOTICE	DATE	TITLE	QUENSH A14 clause
LU-WN-01097	31.10.11	High Voltage Cables	38

LU-WN-00964	19.7.10	Correction of CIRAS telephone number	26
LU-WN-01132	29.5.12	Storage of diesel	41.2 (3)

ACTION:

LU Project Managers:

- **For new contracts:**
 - LU Project Managers to use Contract QUENSH Conditions S1552 version A14 for all new LU contracts. Copies are available online via http://onespace.tfl.gov.uk/lu_/cms/CMSLibrary/S1/S1552.pdf.
- **For existing contracts working to other versions of QUENSH:**
 - LU Project managers to decide whether to issue a contract variation to apply version A14 to the contract; based on an assessment of the benefit of introduction versus the cost of doing so.

Please communicate this alert to your projects teams and suppliers
