Hillingdon

Vision Zero is at the heart of the Mayor’s Transport Strategy and reflects the fundamental belief that no death or serious injury on London’s roads and transport network is acceptable.

Road casualties in your borough in 2017

People killed and seriously or slightly injured in Hillingdon

3 people were killed
95 people were seriously injured
899 people were slightly injured

People killed or seriously injured – casualty type

Non-injury vehicles involved where people were killed or seriously injured (%)

We must reduce road danger for the people who are most at risk.

We must reduce the danger posed by vehicles that present the greatest risk. The percentage of vehicles without injured occupants who were involved in a collision where someone else was killed or seriously injured* is shown above.

* Note that involvement does not infer fault
