Dear Tim

Local Implementation Plan (LIP) 2014/15 to 2016/17 Delivery Plan, Interim Targets and Annual Spending Submission

Thank you for submitting the above documents to TfL on 4 October 2013.

Your authority's LIP submission has now been reviewed by TfL and I can confirm this meets the requirements set out in the LIP 2014/15 to 2016/17 Delivery Plan, Interim Targets and Annual Spending Submission Guidance (May 2013) and policy 29 of the Mayor's Transport Strategy.

This letter therefore also confirms TfL's support for the proposals set out within your 2014/15 Corridors, Neighbourhoods and Supporting Measures programme.

Thank you also for submitting a Major Scheme bid for 2014/15. As you will be aware, the Major Schemes programme is a competitive bidding process and only a few new projects are added each year following assessment of the bids. Unfortunately your authority's bid for Barking Town Centre/East Street Public Realm Improvements was not successful and has not been funded. We will provide detailed feedback on the assessment separately and work with your officers to review the options for taking forward the project.

The 2014/15 LIP allocations for Principal Road Maintenance should be visible to you on the Portal within the next few days.

The London Bridges Engineering Group (LoBEG) is currently reviewing the pan-London bridge assessment and strengthening programme. Therefore any allocation on the Portal in respect of this programme should at the present time be considered provisional and will be confirmed in February 2014, following further consultation with LoBEG.

I will be writing to you separately in respect of your submission for support under the Borough Cycling Programme.

Please ensure that the financial information for all agreed schemes is entered onto the Borough Portal by **Friday 24 January 2014**. If you would like TfL to enter this data on your behalf, please contact my colleague Tony Clark at anthonyclark@tfl.gov.uk. *Note: the Borough Portal is a web based tool used by TfL and the London boroughs to manage the allocation of funds, reporting, forecasting and subsequent claims. Accordingly it is essential the information on the Portal is kept up to date.*

A copy of the LIP 2014/15 to 2016/17 Delivery Plan, Interim Targets and Annual Spending Submission Guidance, together with the LIP Finance and Reporting Guidance, can be found on the Borough Extranet at: http://boroughs.tfl.gov.uk/lip_funding.aspx#. These documents also detail the other relevant matters to which TfL will have regard.

It should be noted, that whilst this letter confirms that your borough's LIP submission is consistent with, and adequate for, local delivery of the Mayor's Transport Strategy, it should not be taken as Mayoral endorsement of the detailed wording and elements set out within your plans, which have been locally determined in line with the new LIP arrangements.

Thank you for all the hard work that has gone into the preparation of your submission.

Yours sincerely
