

Changes to routes 108 and D8 in Bow and Stratford

from 1 October 2016

108

Between All Saints and Bow will be rerouted to serve the D8 routeing (Chrip Street, Violet Road) and will now serve Stratford International via Carpenters Road (previously Stratford mainline).

Larger buses will progressively be introduced to provide more capacity.

D8

Between All Saints and Bow will be rerouted along Blackwall Tunnel Northern Approach Road and will now serve Stratford mainline station (previously Stratford International).

Double deck buses will be introduced at the same time providing increased capacity.
