

# Northern Line Extension

## BI-MONTHLY UPDATE

July - August 2016

### Kennington Park

Thank you for your patience whilst we continue with the Northern Line Extension works near you. We would like to update you on where we are and what is planned for the next four to eight weeks.

#### Latest activity

The construction of the temporary acoustic enclosure is now complete to assist in controlling construction noise, dust and light during 24/7 working. We have also completed the installation of the gantry crane within the enclosure.

#### What is planned

Further equipment will be installed in the acoustic enclosure. This will include the silos which will be used for mixing the cement for the Sprayed Concrete Lining (SCL) of the shaft and tunnel.

Excavation of the shaft will commence during July to an approximate depth of 25m, followed by the tunnel in August. The work will be carried out within the acoustic enclosure, which is due to be removed in spring 2018.

Shaft area ready for excavation

Shaft structure

Layout of equipment within acoustic enclosure

**From Monday 11 July our working hours will change to 24 hours a day 7 days a week. This will continue until the completion of the shaft and tunnel in 2018.**

Our core working hours will remain as 08:00 to 18:00 Monday to Friday and 08:00 to 13:00 Saturday (with quiet maintenance allowed between 13:00 and 18:00). Outside of these times planned work will take place within the acoustic enclosure with the door closed, however, residents may observe staff on site outside these hours who are either carrying out essential support work to the tunnelling operation or providing security for the worksite. To avoid night-time lorry movements, material excavated overnight will be stockpiled within the enclosure ready to be removed the following day

We will continue to hold regular “Drop In” sessions at the Montford Place work site so that residents can meet staff and discuss any concerns or queries. We will advise you when the next session is planned.

**If you have any concerns or queries, please contact us at [nle@tfl.gov.uk](mailto:nle@tfl.gov.uk) or call our 24/7 Helpline on 0343 222 2424 (Option 1)**
