

Taxi and Private Hire Information

Taxi and private hire services

Taxis (black cabs) are the only vehicles that can be hailed on the street or at designated taxi ranks. All taxis are fitted with a meter, which shows the fare payable at the end of your journey, and a yellow 'TAXI' light.

Private hire covers a wide range of services including minicabs, limousines, executive car services and chauffeur driven vehicles. All minicab and private hire journeys must be booked with a licensed private hire operator – any minicab or other private hire vehicle that is not booked is unlicensed, uninsured, unsafe and illegal.

Lost property

Property lost in a taxi should be reported to TfL's Lost Property Office. You can contact the Lost Property Office by calling 0343 222 1234 or use the lost property form on our website at tfl.gov.uk/lostproperty to find out if your property has been found.

Property found in London taxis can be handed in to a police station by the driver before being forwarded to the Lost Property Office and can take up to seven days to arrive when sent from police stations.

Property found in private hire vehicles is held at the relevant private hire operator's office, where a record of lost property is kept. Please contact the operator directly that you booked with to check if they have found your property.

Assistance dogs

All taxis and private hire vehicles carry guide and other assistance dogs at no extra charge.

If you have an assistance dog and have experienced any problems when trying to use taxi or private hire services in London please let us know.

Taxi fares from 3 June 2017

The taximeter calculates the maximum fare based upon time of day, distance travelled and taxi speed. Drivers must, unless they have good cause, accept any hiring up to 12 miles (20 miles if at Heathrow Airport), or up to one hour duration if the destination is in Greater London.

Once a journey reaches six miles the rate at which the taxi fare increases changes. Full details of the taxi fares and tariffs can be found on our website at tfl.gov.uk/taxifares.

The driver is not obliged to accept a hiring if the destination is outside Greater London and the fare for such a journey may be negotiated between the driver and hirer.

Typical fares:

Note that fares and times may be higher than shown if there are delays or heavy traffic.
