

Transport for London

LONDON SERVICE PERMIT (LSP) BULLETIN No.466

PUBLICATION DATE: 16 December 2020

DATE OF NEXT EDITION: 11 January 2021

DEADLINE FOR SUBMISSIONS: 7 January 2021 (12.00)

Responses to LSP applications should be made via the Consultation website.
All other communications should be directed as below:

**Bus Service Licensing & Permitting
Licensing, Regulation & Charging
Transport for London
4th floor – Zone 4G3
5 Endeavour Square, Stratford, London E20 1JN**

**Telephone 020 3054 0137 or Internal Auto 80137
e-mail: lsp@tfl.gov.uk**

PLEASE NOTE: We are not currently contactable by phone or physical mail. Until advised otherwise, all future communications should be conducted via e-mail

GENERAL NOTES

1. Transport for London (TfL) is required to consult relevant London highway, police and certain other authorities on proposals by licensed PSV operators to operate London Service Permit services i.e. bus services that do not form part of the London bus network and are not secured by or operate under agreement with London Buses. The information shown in Sections 2 and 3 of this Bulletin should be regarded as the formal consultation by Transport for London to relevant authorities as required under s186(3)(c) of the Greater London Authority Act 1999 in relation to LSP proposals.

2. Unless stated elsewhere in this Bulletin, any observations or objections in response to LSP proposals contained in Sections 2 and 3 must be made in writing and submitted to TfL at the address shown on Page 1 by the stated closing dates for comments (generally 28 days from the issue of this bulletin).

3. In deciding whether to grant an LSP application, TfL is required to have regard to the Mayor of London's Guidance Document containing the criteria by which applications are to be considered. The Mayor's Guidance Document and an explanatory note on the LSP process may be accessed from the TfL website at <https://tfl.gov.uk/info-for/suppliers-and-contractors/london-service-permits?intcmp=3396>

4. Applications for a new LSP or to vary an existing LSP may be made electronically from the TfL London Service Permits website at <https://tfl.gov.uk/info-for/suppliers-and-contractors/london-service-permits?intcmp=3396>

5. In cases of LSP services which cross the Greater London boundary, the operator must ensure that the service has been registered with the appropriate Traffic Area.

6. The LSP Bulletin is normally published every fortnight and is issued to the following authorities:

all London Boroughs, the City of London and the City of Westminster;
County Councils adjacent to Greater London;
Unitary Authorities adjacent to Greater London;
the Metropolitan Police and the City of London Police;
the London TravelWatch;
DVSA, Leeds.

SPECIAL NOTICES

Bulletin Dates

The next bulletin (no.467) will be issued on Monday 11 January 2021.

Coronavirus Impact on LSP services

Attached to this bulletin is a spreadsheet summarising the status of LSP services as is currently known. We will continue to liaise with LSP operators and will circulate updated information for as long as it is relevant to do so. We are not suspending LSP applications at the present time, but may have to prioritise what we are able to process based on urgency.

In the meantime, we would remind that LSP operators continue to follow government advice here www.gov.uk/coronavirus

LEZ and ULEZ

Tougher Low Emission Zone (LEZ) standards will come into force from 1 March 2021. Please find more information here <https://tfl.gov.uk/modes/driving/low-emission-zone/changes-to-the-lez?intcmp=52426>

From 25 October 2021, the existing central London Ultra Low Emission Zone (ULEZ) will expand to create a single larger zone bounded by the North Circular Road (A406) and South Circular Road (A205). Please find more information here <https://tfl.gov.uk/modes/driving/ultra-low-emission-zone/ulez-expansion?cid=ulez-2021>

LSP1010, Red Eagle Buses Ltd, Route E21

Red Eagle Buses Ltd's E21 will be withdrawn from 4 January 2021. LSP1010 will be cancelled from the same date.

Accessibility standards for PSVs - update

In addition to the notice below about The Public Service Vehicle Accessibility Regulations (PSVAR) 2000, the Department for Transport has confirmed that when PSVAR is fully implemented in January 2020, it will apply to any scheduled school service where a fare is charged, regardless of how the fare is collected. This means that PSVAR will apply to any 'closed door' school services not currently operated under a London Service Permit.

Accessibility standards for PSVs

The Public Service Vehicle Accessibility Regulations (PSVAR) 2000 apply to all vehicles with a passenger capacity in excess of 22 used on local and other scheduled services (subject to a very limited exemption for heritage vehicles). PSVAR applies to all services under operated

under London Service Permits.

For further information, including deadlines by which existing vehicles must be compliant, please see:

<https://movingon.blog.gov.uk/accessibility-standards-for-public-service-vehicles/>

Disability Awareness Training

EU Regulation No. 181/2011 (Passenger Rights) requires that all drivers of scheduled services receive disability awareness training and that non-driving staff who assist passengers must also receive this training and additionally disability training. All LSP services are in scope of this Regulation, which can be found here:

<https://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=OJ:L:2011:055:0001:0012:EN:PDF>

Revisions to LSP application fee

LSP fees are now reviewed annually with changes applied based on RPI. Accordingly, effective from Monday 1 April 2019 the fee for new and renewal LSP applications will be increased from £240 to £250. These changes are for all applications received from the above date.

Variations, cancellations and all applications received from not-for-profit organisations will continue to be free of charge.

Permit Duration

A review of the Mayor's Guidance, which sets out the criteria for granting LSPs, is currently being undertaken to ensure it is fit to address applications for new demand responsive services. While this review is ongoing, and with immediate effect, if an LSP is granted for any such service, it will be granted for a maximum period of one year. This includes services for which applications have already been received, but for which TfL has yet to reach a decision on whether to grant.

LSP Applications

Operators are reminded that the standard notice period for all new LSP applications and variations to existing Permits is 12 weeks.

Canary Wharf, Canada Square Stop H

Canary Wharf Management Ltd has informed TfL that Stop H in Canada Square is now at capacity. We will therefore not be accepting any applications for additional services at this stop until further notice.

Great Tower Street

Access to Great Tower Street from Byward Street is not permitted at any time unless directed by City of London Police. This junction forms part of the City of London security cordon and as

TfL CONFIDENTIAL

by City of London Police. This junction forms part of the City of London security cordon and as such access is strictly confined to limited and pre-agreed TfL bus network services and rail replacement services operated on behalf of TfL. The junction is monitored continually by City of London Police via CCTV.
