1. Introduction

When you travel on our services, having bought a ticket or when using pay as you go or a free travel concession, you enter into a legal agreement with us.

For the purposes of these Conditions, ‘we’ and ‘us’ mean Transport for London (TfL), London Bus Services Limited and London Underground Limited. ‘You’ means any customer holding a ticket, an Oyster card with a season ticket, pay as you go credit or a free travel concession on it or a contactless payment card and who is using our buses and Underground stations and trains.

These Conditions of Carriage set out your rights and responsibilities as our customer.

When you use our stations, services and facilities, you are also subject to other byelaws and regulations as set out in Appendix 4.

We’ve tried to make these Conditions simple and easy to understand. Some words have a specific meaning and these are set out in Appendix 5.

If you would like to get in touch, our contact details are shown in Appendix 3.

These Conditions of Carriage, which may be amended from time to time, replace all previous versions published by TfL and its predecessors. They come into force from the date shown on the front and will remain in force, with any amendments that we may make from time to time, until we republish them. The most up-to-date version is available at tfl.gov.uk/terms

Our staff and agents have no authority to make individual exceptions to these Conditions of Carriage.

2. Our services

2.1 We always try to run reliable services. Sometimes our regular services have to change at short notice for reasons beyond our control or that of our contractors. For up to date information on any changes or cancellations, you should check online at tfl.gov.uk/status-updates call TfL Customer Services on 0343 222 1234.

2.2 You can use any of our services if you have a valid ticket, a validated Oyster card with pay as you go credit to cover the whole of the journey you are making, an Oyster card set with Auto top up, a validated contactless payment card, a permit to travel, free travel concession or other travel authority.

Our services are often heavily used so neither we, nor our contractors, can guarantee to provide a seat or carry you on a particular bus or Underground train.

2.3 We want to make sure that all your journeys are safe. We and our contractors reserve the right to close bus and Underground stations (or parts of them) and to require you to leave a bus or Underground train at any time. You must follow instructions given by our staff.

2.4 You must not do anything forbidden by our Byelaws or by the Conduct Regulations.

2.5 On our buses and Underground trains and in our bus and Underground stations you must not:
   • smoke or use an electronic cigarette (‘vape’)
   • use bicycles, roller skates, roller blades, scooters, skateboards or hoverboards
• take flash photographs and/or use a tripod or other camera support equipment
• use emergency exits except in an emergency or when instructed to do so by our staff

On Underground trains, you must not use the interior doors between the carriages except in an emergency or when instructed to do so by our staff.

On our buses, you must only get on or off at official bus stops, except where we advertise the service as being ‘hail and ride’ when the driver will stop where it is safe to do so. There may also be special circumstances eg when the bus is stuck in traffic, drivers may pull over at a safe place and let you get off. However, they will only do this where/when they judge it is safe to do so.

You may be prosecuted for disobeying these requirements.

2.6 On our buses and Underground trains and in our bus and Underground stations, you must not:
• consume alcohol
• be in possession of an open container of alcohol

You may be prosecuted if you disobey these requirements.

2.7 Our buses and most bus stations are monitored by CCTV cameras. Some bus services may also make use of audio recording and there will be signage where this is the case. Most Underground trains and all stations are monitored by CCTV cameras.

CCTV images are recorded for the purpose of crime prevention, detection, legal proceedings and public safety. Images (and where held, audio recordings) of alleged offenders may be passed to the police and be used in a court of law.

3. Oyster cards, contactless payment cards and other smartcards

3.1. General Information

3.1.1 You can get an Oyster card from Oyster online, Underground, London Overground and TfL Rail stations, Oyster Ticket Stops, Visitor Centres, some National Rail station ticket offices and other authorised outlets. We will not accept responsibility for an Oyster card obtained from anywhere else.

We will not generally issue an Oyster card unless you buy a season ticket or add pay as you go credit at the same time.

Where a smartcard is issued by another organisation and can be used for travel on TfL services, special terms and conditions may apply - check with your card issuer.

If you are using a contactless payment card to pay as you go, you can only travel if your card is accepted.

3.1.2. If your Oyster card only has pay as you go credit on it to pay at adult rate, you can lend your card to someone else, even if it is registered in your name.

3.1.3 We reserve the right to prevent the use of your Oyster card, smartcard or contactless payment card for travel. We reserve the right to withdraw your Oyster card if it is misused or if it is used in a way that is not permitted by these Conditions of Carriage. It may not be returned.
whether or not the misuse was by the registered card holder and you may forfeit the right to any refund on the unused value of any season ticket or pay as you go credit and deposit.

All Oyster cards remain our property and must not be intentionally damaged, altered or tampered with in any way.

We may withdraw or cancel any Oyster card at any time. Where, for whatever reason, we cancel your Oyster card without telling you, you will need to call TfL Customer Services to find out why we have done so and what to do next.

### 3.2 Registered Oyster cards and online accounts for contactless payment cards

#### 3.2.1 Registered Oyster cards. If you want to register your Oyster card to protect it against loss or theft, you must complete an Oyster card registration form or sign up for an online account. You can register your card at an Underground, London Overground or TfL Rail station, Oyster Ticket Stop or Visitor Centre and some National Rail station ticket offices by handing in your completed Oyster card registration form. Or you can sign up for an online account. Before you do, you will need to have made at least one journey with your Oyster card so you can complete the process.

If you want to buy a season ticket for longer than one month at a ticket office, you must complete an Oyster card registration form.

You must always register your Oyster card if you are using it in conjunction with a photocard which gives you a travel concession.

All Oyster photocards are registered as part of the application process.

Special registration conditions apply to smartcards issued by other organisations that can be used to travel on TfL services.

Once an Oyster card is registered in your name, it will remain in your name and we will only be able to deal with you about any enquiries about the Oyster card. You will still be responsible for the Oyster card and any use made of it. We will not accept responsibility for any losses arising out of the transfer and use of your Oyster card.

If any of your details change after you register your Oyster card, you must go online or call TfL Customer Services to update them. You must keep your account details secret and take all reasonable precautions to prevent unauthorised or fraudulent use of them.

#### 3.2.2 Unregistered Oyster cards. You do not need to register your Oyster card or sign up for an online account if you are only buying an adult-rate 7 Day or one month season ticket and/or adding pay as you go credit. If your card is not registered or you do not have an online account, we are not able to provide any information about the card to you (see also section 8).

#### 3.2.3 Online accounts for contactless payment cards

If any of your personal details change after you have created an online account, you must sign in to your account and update them.

#### 3.2.4 Card deposit. You have to pay a deposit to get an Oyster card. We will refund this if you return the original card to us when you no longer need it.

If your Oyster card has a negative pay as you go balance when you return it to us, you will be asked to clear it before we refund the deposit.
If the pay as you go balance on your card is £10 or less, you can get a refund of it and any deposit at Underground station ticket machines. Once you have done this, your card will be stopped.

3.2.5 Duty to show your Oyster card, smartcard or contactless payment card. You must be prepared to show your Oyster card (and supporting photocard, where needed), your Oyster photocard, smartcard or your contactless payment card on each journey, whenever we ask you to do so. If you fail to do so you may be liable to pay a penalty fare or you may be prosecuted.

3.3 Using a season ticket on your Oyster card or smartcard

3.3.1 When you use Tube, London Overground, TfL Rail and National Rail services, you must touch your Oyster card or smartcard on the yellow card reader at both the start and the end of your journey. If the ticket gates at stations are open you must still touch your card on the yellow card reader.

Provided your season ticket is valid at the time you travel, you can still use it at stations where there is no yellow card reader or if the reader is not working. You may be asked to show your Oyster card (and photocard where needed) or smartcard.

You can use the season ticket on your Oyster card or smartcard provided it is valid at the time you travel and any pay as you go balance is not in debit. If you have a negative balance, you must add credit to clear it before you next use your season ticket.

3.3.2 If your season ticket only covers the start or end of your journey, or only an intermediate section of it, you may be able to use pay as you go for the part of your journey not covered by your season ticket. Or you must buy a printed ticket.

3.3.3 If your Oyster card or smartcard has more than one Travelcard on it and they are valid on the same date(s), you must ensure that your tickets cover all the zones you travel through at all times.

3.3.4 When you buy a 12 month adult rate season ticket on your Oyster card we will issue a Record Card or receipt to you showing details of the season ticket you have bought. It is not valid for travel.

If you buy an adult rate Annual Travelcard, we will issue you with a Gold Record Card. You must show your Gold Record Card and Oyster card when buying a discounted ticket and have it with you whenever you travel. You don’t need to show your Gold Record Card to have the Gold Card discount set on your Oyster card provided staff can see that your Oyster card holds a valid Annual Travelcard.

3.4 Paying as you go with your Oyster or contactless payment card

3.4.1 You can pay as you go with an Oyster card on all London buses, Tube, tram, DLR, London Overground, TfL Rail, Emirates Air Line and Thames Clippers River Bus services. You can also pay as you go on National Rail services (standard class only) within the pay as you go area.

3.4.2 You can pay as you go with a contactless payment card on all London buses (excluding the Heritage Routemasters used on route 15), Tube, tram, DLR, London Overground, TfL Rail, Emirates Air Line and Thames Clippers River Bus services. You can also pay as you go on National Rail services (standard class only) within the pay as you go area.

Only one person at a time can travel using an Oyster or contactless payment card. You must carry the Oyster or contactless payment card with you at all times when travelling
3.4.3 To pay the correct fare, you must always touch in and out (touch in only on bus and tram) using the same single card or device. For example, if you touch in with your phone and touch out with your watch or contactless payment card, you will be charged for two separate incomplete journeys.

3.4.4 To check individual journey fares, you should use TfL’s single fare finder. To find out more about fares, go to tfl.gov.uk/fares

3.5 Paying as you go on Tube, DLR, London Overground, TfL Rail and National Rail services

To record the start of your journey, you must touch your Oyster or contactless payment card flat on a yellow card reader at the station as you enter the compulsory ticket area. If you are using an Oyster card, a charge, set by TfL, will be deducted from the balance on your card. Your card will be accepted if your pay as you go balance is at least the minimum fare from the station. Before travelling, you must have sufficient pay as you go credit for the whole of your journey or Auto top-up set on your Oyster card.

If you are using a contactless payment card, a check will be made to ensure that it is valid for travel. When you touch your contactless payment card on a yellow card reader, or a portable card reader held by staff, you are giving authorisation for the cost of your journey, including any maximum fares or unpaid fares, to be charged to your card account.

To record the end of your journey, you must touch your Oyster or contactless payment card flat on a yellow card reader at the station as you exit the compulsory ticket area. The deduction made from your Oyster card at the start of your journey will be adjusted so that you only pay the advertised pay as you go fare for the journey made.

If you do not touch in at the start and touch out at the end of your journey, you may be charged a maximum fare and this journey will not be included in any daily capping. You may also be liable to a penalty fare or you may be prosecuted.

Your pay as you go journey must be completed by touching out at the end of your journey within a time limit from when you first touched in. The time limit varies between 70 minutes for a one zone Monday to Friday daytime journey up to 5 hours and 15 minutes for a longer distance journey on a Sunday or public holiday. If the time between touching in at the start and touching out at the end of your journey is more than the applicable time limit, you will be charged a maximum pay as you go fare. If this happens, we may in some instances correct this over-payment automatically. Otherwise, you will need to sign into your online account and request a refund on any over-payment. You can do this online up to three times in a month. You can also do this by calling TfL Customer Services so that they may refund any over-payment.

You must touch in and out with your Oyster or contactless payment card in the same way for journeys to and/or from DLR, London Overground, TfL Rail or National Rail stations within the pay as you go area. There is no need to touch your Oyster card on a yellow card reader again when transferring within the same station. If you are transferring from London Overground/TfL Rail to a National Rail service where pay as you go isn’t accepted, you must touch out at the station when you transfer to complete your pay as you go journey.

If you enter and leave the same station without making a journey, we may charge you a fare up to a maximum fare.
If you enter at one station and do not touch out at another, we may charge you a fare up to a maximum fare.

### 3.6 Paying as you go on buses and trams

When you use a bus, you must touch your Oyster or contactless payment card on the yellow card reader as you board. When you use the trams, you must touch your Oyster card or contactless payment card on the yellow card reader before you board.

Special arrangements apply if you are accompanying a wheelchair user (see clause 10.1.5) and to users of buggies (see clause 11.4).

On route 15 Heritage Routemaster buses you must touch your Oyster card on the conductor’s ticket machine. Smartcards issued by other organisations and contactless payment cards are not accepted on Heritage Routemaster buses.

When you touch in using a contactless payment card, you will be authorising the deduction of the advertised pay as you go fare from your associated card account.

If you enter Wimbledon station to make a tram journey, you must always touch in on the Tram yellow card reader on platform 10 before boarding the tram. If you arrive at Wimbledon station by National Rail or Underground and you are making a tram journey, you must touch on a NR or Underground yellow card reader to complete your train journey and then touch on the Tram yellow card reader. If you do not, you may be charged a maximum fare and you may be liable to a penalty fare.

If you enter Mitcham Junction or Elmers End stations to make a tram journey, you must always touch in on the Tram yellow card reader before boarding the tram. If you arrive at Mitcham Junction or Elmers End stations by National Rail, you must touch on a NR yellow card reader to complete your train journey and then touch on the Tram yellow card reader before you board. If you do not, you may be charged a maximum fare and you may be liable to a penalty fare.

If you travel without having touched in, you may be liable to a penalty fare or you may be prosecuted. If the yellow card reader on a bus or a conductor’s ticket machine is not working, you must show your Oyster card to the driver or the conductor.

If your Oyster or contactless payment card isn’t working, you must advise the driver or the conductor on a Heritage Routemaster and you may need to show another ticket or use another way to pay.

If you make a pay as you go journey on a bus or tram, you can make multiple bus or tram journeys for free within one hour of first touching in using the same card. This will not happen if:

- Your Oyster card has a negative pay as you go balance after the first journey. If you clear the negative balance within one hour of touching in, you can still make subsequent journeys for free within the hour
- A contactless card is added to the ‘Not authorised for travel’ list after the first journey. If the card is removed from the ‘Not authorised for travel’ list within 60 minutes, subsequent journeys made within the 60 minutes will still be free
- You travel on route 15 Heritage Routemaster buses.

If the balance on your Oyster card is less than the pay as you go fare for your journey but is £0.00 or more, you will be allowed to make one more journey. You must then top up your Oyster card to clear the negative balance before you can use it again.
If your contactless payment card is not accepted, you are not allowed to make your journey. If you do so you may be liable to a penalty fare or you may be prosecuted.

3.7 Paying as you go on the Emirates Air Line

When you pay as you go on the Emirates Air Line, you must touch your Oyster or contactless payment card on the yellow card reader as you enter and exit the Emirates Air Line terminal. If you travel without having correctly touched in and out on the yellow card reader, or having bought a boarding pass, you may be liable to a penalty fare or you may be prosecuted.

3.8 Paying as you go on with Oyster on Thames Clippers River Bus services

When you pay as you go on Thames Clippers River Bus services, you must touch your Oyster or contactless payment card on the yellow card reader at the start of your journey when instructed to do so by a member of Thames Clippers staff. You must also touch out at interchanges and at the end of your journey. If you don’t touch in at the start and touch out at the end of your journey, you may be charged a maximum fare.

3.9 Yellow card reader

An amber light on a yellow card reader means that it is ready to check your Oyster or contactless payment card. If, before you touch your card on a yellow card reader, it has a red light or no light at all, it is not working. If this is the case, at stations and tram stops you must use another yellow card reader that is. On buses, you must speak to the driver. On buses where entry is allowed through all doors, you should use another working yellow card reader. If none are working, you must speak to the driver.

When you touch your Oyster or contactless payment card flat on a yellow card reader, a green light, accompanied by one beep (more than two beeps for 5-10 and 11-15 Oyster photocards) means that it has been accepted for travel. A red light, accompanied by two beeps, means your Oyster or contactless payment card has been rejected. You must not go further until either your Oyster or contactless payment card has been accepted for travel or you have paid separately for your journey.

On a bus, a green light accompanied by three beeps and the issue of a printed slip from the ticket machine means that you are being allowed to make one more journey and that you must top up your Oyster card before you can travel again.

You cannot validate your travel by touching in or touching out on a yellow card reader located on a ticket machine.

3.10 Pink card reader

Pink card readers are located at a number of interchange stations. They tell us which route you’ve taken so we can charge you the right fare.
If you pass a pink card reader when changing from one train to another, and you are using your Oyster or contactless payment card to pay as you go for any part of your journey, but not starting or finishing your pay as you go journey at the station concerned, you must touch your card on the pink card reader to ensure you pay the appropriate pay as you go fare for the route you are taking. If using a Travelcard that does not include Zone 1, you must also touch your card on any pink card reader that you pass when changing trains to ensure you do not pay an extension fare.

You must still touch in on a yellow card reader at the start of your journey and touch out at the end to ensure you pay the correct pay as you go fare and avoid paying a maximum fare.

3.11 Daily and Weekly (Monday-Sunday) capping

Once you reach a daily or a weekly (Monday-Sunday) cap, you must continue to touch your Oyster or contactless payment card on a yellow card reader at the start (and end where appropriate) of every journey. If you do not, you may pay too much, be liable to pay a penalty fare or you may be prosecuted.

The following will not count towards any daily or Monday-Sunday cap:

- tickets for Crown River and TRS services bought using pay as you go credit
- pay as you go journeys on the Emirates Air Line and Thames Clippers River Bus services
- pay as you go journeys on Gatwick Express and Heathrow Express services
- pay as you go journeys on Southeastern high speed services between St Pancras and Stratford International

3.12 Visitor Oyster cards

Visitor Oyster cards are issued by our agents abroad and by selected UK agents. Special terms and conditions apply to these Oyster cards as follows:

- The card can only be used to pay as you go
- A non-refundable £5 charge is applied
- The card cannot be registered
- You cannot sign up for an online account

From time to time different designs of card may be issued but with the same availability and validity.

3.13 Data Protection

If you have registered your Oyster card or created an online account for your contactless payment card, you agree to us holding personal information about you and using it as described below. You can find more information about how TfL handles your personal information at tfl.gov.uk/privacy

3.14 Retention of personal travel data

The TfL ticketing system retains details of the journeys made using your Oyster card for eight weeks: after this time it is de-personalised. Journey data from use of your contactless payment card is retained for up to 13 months, after this time it is de-personalised.

3.15 How we use your personal information

TfL, its subsidiaries and service providers, will use your personal information for the purposes of customer services and administration, the provision of travel related information, customer research and fraud prevention. If you use your Oyster or contactless payment card in connection
with National Rail products or services, or London river services you will also be authorising TfL to share your personal information with relevant Train Operating Companies (TOCs) and river service operators so that they can use it for the same purposes.

In certain circumstances, TfL, relevant TOCs and river service operators may also share your personal information with the police and other law enforcement agencies for the purposes of the prevention or detection of crime.

If, having used your contactless payment card for travel, you check your journey and charging data without creating an online account, you will need to enter your contactless payment card number, expiry date, card security code and billing address each time you check your journey and payment history. TfL will use the information you provide to carry out an authorisation check with your card issuer and will not use or retain it for any other purpose.

If you hold an Oyster photocard, your personal information will also be used or shared for additional purposes, for example to ensure your ongoing eligibility for your free or discounted travel or to enforce the behaviour code. You are advised to check www.tfl.gov.uk/privacy regularly for the most up to date information. Where substantial changes are made (or intended to be made) to the way TfL handles your personal information, we will let you know.

### 4. Photocards and Oyster photocards

**4.1** All photocards and Oyster photocards remain our property and must not be intentionally damaged, altered or tampered with in any way. If they are, we may withdraw or cancel your photocard or Oyster photocard at any time.

You cannot lend or transfer an Oyster photocard or Oyster card with a discount on it to anyone else. If you do, we may withdraw the Oyster photocard or Oyster card and you may forfeit the right to any refund on the unused value of your season ticket, pay as you go credit and/or the deposit. The person using your Oyster photocard or Oyster card may be subject to a penalty fare and/or prosecution.

**4.2 5-10 Oyster photocards** are available for anyone aged 5 to 10 years. You do not need a 5-10 Oyster photocard to travel free on buses and trams, unless you look older. You need a 5-10 Oyster photocard to travel free on Tube, DLR, London Overground and TfL Rail services unless you are accompanied by an adult (see clause 5.2.3). You need a 5-10 Oyster photocard to travel free on most National Rail services within the pay as you go area, regardless of whether you are accompanied by an adult.

**4.3 11-15 Oyster photocards** are available for anyone aged 11 to 15 years (under 16 on 31 August prior to the start of the current academic year).

**On buses and trams**, you need an 11-15 Oyster photocard to travel free. You must carry your Oyster photocard with you and touch it on the yellow card reader when you get on a bus or tram. If you fail either to touch in correctly or to pay a fare, you will be liable for a penalty fare and/or you may have your travel concession withdrawn.

If you do not have a valid 11-15 Oyster photocard, do not have it with you or it has stopped working or is damaged, you will need to pay the adult fare for your journey using an Oyster or contactless payment card.

**On the Underground**, you may use child-rate single and return tickets and Day Travelcards without the need for an 11-15 Oyster photocard.
You can use your 11-15 Oyster photocard, until the expiry date shown on the front (even if you have turned 16).

4.4 **16+ Oyster photocards** are available for those who meet the eligibility criteria of the scheme.

You need a 16+ Oyster photocard to travel free on buses and trams, to pay as you go at half adult rate and to use discounted Travelcards and Bus & Tram Passes.

To get the 16+ free or half-rate travel concession, you must carry your 16+ Oyster photocard with you and touch it on the yellow card reader when you get on a bus or tram. If you do not have your 16+ Oyster photocard with you or it has stopped working or is damaged, you will need to pay the adult fare for your journey using an Oyster card or contactless payment card.

If you have a negative balance on your 16+ Oyster photocard, you will not be able to travel until you add credit to clear the negative balance. You can do this at an Underground, London Overground or TfL Rail station, Visitor Centre or Oyster Ticket Stop and most National Rail stations.

If you fail to touch in correctly or pay a fare, you may be liable to a penalty fare, you may be prosecuted or you may have your travel concession withdrawn.

4.5 **Behaviour Code compliance.** A Behaviour Code applies to the use of 5-10, 11-15 and 16+ Oyster photocards. If you do not comply with the Behaviour Code when on London’s public transport network or premises, we may withdraw your 11-15 free bus and tram concession or your 16+ Oyster photocard.

If you are an 11-15 Oyster photocard holder and we withdraw your free bus and tram concession, you can apply for an 11-15 Oyster photocard without the free travel concession, which you can use to buy child-rate Travelcard season tickets, reduced rate Bus & Tram Pass season tickets and to pay as you go at half the adult rate.

If you are a 16+ Oyster photocard holder and we withdraw your 16+ Oyster photocard concession, you will have to pay adult fares for all your future journeys.

Your 11-15 or 16+ Oyster photocard may be withdrawn if you do not pay any penalty fare issued to you.

**Behaviour Code for 5-10, 11-15 and 16+ Oyster photocard holders**

TfL’s Behaviour Code exists to ensure you travel safety and show respect for our passengers, staff and property. You must follow it or you might lose your travel concession or Zip Oyster photocard. Expected behaviours include, but are not limited to the following:

Act in a considerate and responsible manner:
- Act safely
- Cooperate with our staff and treat them and other passengers with respect
- Use language that does not cause offence to others
- Ensure that you are the only person that can hear your music
- Ensure you pick up all your litter
- Keep your feet off the seats
- Give up your seat for others
Look after your Oyster photocard:
- Ensure it is not used by another person
- Ensure your photo is clearly recognisable and the card is in good condition
- If it is lost, stolen or damaged, report it to TfL immediately even if you do not plan to get a replacement straight away

Use your Oyster photocard correctly:
- Always touch in on the yellow reader on buses and trams
- Always touch in and touch out on the Tube, DLR, London Overground, TfL Rail and National Rail services
- Pay the correct fare if you do not have your valid photocard with you or it is damaged
- Pay any penalty fare that has been issued to you

You must not:
- Smoke or use an electronic cigarette, take drugs or drink alcohol on our vehicles and/or premises
- Behave in a way that we consider to be antisocial
- Commit any crime that affects our services, passengers, staff or property
- Breach the Conditions of Carriage, PSV Regulations (1990), GLA Act (1999) or any TfL Byelaw

4.6 18+ Student Oyster photocards can be used by students enrolled at participating universities, colleges and schools.

Any discounted season ticket that you have must not expire later than the date your 18+ Student Oyster photocard expires.

You are only eligible for the 18+ Student concession if you meet the scheme criteria. If you cease to be eligible, your 18+ Oyster photocard will not be valid and you must stop using it. You must tell us and your university/college or school immediately. If you continue to use your 18+ Student Oyster photocard to buy and use discounted season tickets when you are not eligible, we will stop your Oyster photocard without notice and you may be prosecuted. You may forfeit the right to any refund on the unused value of any season ticket or pay as you go credit.

4.7 Apprentice Oyster photocards can be used by apprentices on a SASE (Specification for Apprenticeship Standards in English) compliant apprenticeship that is delivered through a further education college or training organisation approved or funded by the Skills Funding Agency.

You are only eligible for the Apprentice concession if you meet the scheme criteria. If you cease to be eligible, your Apprentice Oyster photocard will not be valid and you must stop using it. You must tell us and your training provider immediately. If you continue to use your Apprentice Oyster photocard to buy and use discounted season tickets when you are not eligible, we will stop your Oyster photocard without notice and you may be prosecuted. You may forfeit the right to any refund on the unused value of any season ticket or pay as you go credit.

You cannot buy discounted season tickets for Apprentice Oyster cards at London Overground or TfL Rail ticket offices.

4.8 Jobcentre Plus Travel Discount Cards are issued by Job Centre Plus offices. Once you have set your Job Centre Plus discount on an Oyster card, you can use child-rate Travelcard season tickets and reduced rate Bus & Tram Pass season tickets. You can also pay as you go at half the adult-rate on bus, Tube, tram, DLR, London Overground, TfL Rail and most National Rail services.
4.9 **Bus & Tram discount photocards.** If you hold a Bus & Tram discount photocard and an Oyster card with the Bus & Tram discount on it, you can use reduced rate Bus & Tram Pass season tickets and pay as you go at half the adult-rate on bus and tram services.

4.10 **60+ London Oyster photocards** are available to London residents aged 60 and older and not yet eligible for a Freedom Pass.

If you hold a 60+ London Oyster photocard you can travel free on bus, tram, Tube, DLR, London Overground, TfL Rail and some National Rail services at all times (see Note A2). You can also travel on most National Rail services in London from 0930 Monday to Friday and anytime on Saturdays, Sundays and public holidays.

4.11 **Veterans Oyster photocards** are available to those in receipt of an ongoing payment under the War Pensions Scheme or Guaranteed Income Payment under the Armed Forces Compensation Scheme. War widows, war widowers and dependants in receipt of the same payments are also eligible.

If you hold a Veterans Oyster photocard you can travel free on bus, tram, Tube, DLR, London Overground, TfL Rail and some National Rail services at all times (see Note A2). You can also travel on most National Rail services in London from 0930 Monday to Friday and anytime on Saturdays, Sundays and public holidays.

4.12 **Your photograph.** The photograph on your photocard or Oyster photocard must show your full face and must be a true likeness of you. It must be without a hat and other head coverings unless the head covering is worn consistently for religious or medical reasons.

The serial number on your photocard must match the one shown on your printed season ticket or encoded on your Oyster card. If the numbers do not match, your ticket or Oyster card and accompanying photocard are not valid. We may withdraw them and they may not be returned for further use.

If your appearance has changed significantly, you must update your photograph. You must also replace it if it is damaged or illegible.

To update your Oyster photocard, you must go online and upload a new photo.

To update your photograph on your Jobcentre Plus Travel Discount card, you must ask your Jobcentre Plus Personal Advisor about replacing it. If you have an Oyster card, you will then need to go to an Underground, London Overground or TfL Rail station, Oyster Ticket Stop or Visitor Centre to update the details on your Oyster card.

To update the photograph on your Bus & Tram Discount photocard, you must get a new photocard at a London Post Office. You will then need to go to an Oyster Ticket Stop, Underground station, or Visitor Centre to update the details on your Oyster card.

4.13 **National Railcards** are issued by London Overground, TfL Rail, Train Operating Companies and other authorised issuers under the National Rail Conditions of Travel. Information about them is at nationalrail.co.uk or National Rail stations. See clause 5.2.5 for information about the travel concessions if you set the Railcard discount on your Oyster card.

5. **Using tickets and travel concessions**
5.1 Printed tickets

5.1.1 If you don’t have pay as you go credit or a valid season ticket on an Oyster card, a contactless payment card to pay as you go, a valid permit to travel, free travel concession or other authority to travel, you must have a printed ticket which covers the whole of your journey.

If you wish to travel to or from a place outside the availability of your printed ticket, or before or after the times that it is valid, you must pay the extra cash fare due before you travel.

5.1.2 You must use your printed ticket(s) in accordance with these conditions. All printed tickets remain our property and we may withdraw or cancel any printed ticket at any time and it may not be returned for further use.

You must only buy printed tickets from an authorised outlet. If you buy a printed ticket from anyone else, it will be invalid, may be withdrawn and will not be returned for further use. It may also result in the seller and/or you being prosecuted.

5.1.3 On our bus services, cash fares are not available.

5.1.4 If you do not pay the correct fare for the journey you are making, you may be liable to pay a penalty fare or you may be prosecuted.

5.1.5 Use of printed tickets. Our printed tickets can only be used by the person they were bought for. Tickets must not be resold or given away for further use. Doing this automatically invalidates them and is an offence under our Byelaws and the Public Service Vehicle (Conduct of Drivers, Inspectors, Conductors and Passengers) Regulations 1990.

This rule does not apply to bus Saver tickets. Anyone may use the tickets in a bus Saver book though each ticket can be used only once.

Some of our tickets and Oyster cards are accepted for travel on other companies’ services. Information about this is shown in the tables on pages 25 to 33. In addition, we sell printed tickets for travel solely on other companies’ services. If you use other companies’ services, their conditions will apply to that part of your journey.

We also sell printed tickets for admission to venues. The venue operator’s rules of admission apply to these tickets.

When you have finished using your printed ticket, you should destroy it or hand it in to one of our staff.

5.1.6 Duty to insert printed ticket into ticket gates. You must insert your printed ticket into the ticket gate at the start and end of a Tube, DLR, London Overground, TfL Rail or National Rail journey.

5.1.7 Duty to show printed tickets. At stations where there are no ticket gates, or where the ticket gates are open or not in use, you must be prepared to show your printed ticket (and photocard, if needed) to a member of staff before starting or ending your journey. You must let a member of staff or a Police Officer examine it at any time during your journey if they ask you to do so. If you fail to do so you may be liable to pay a penalty fare or you may be prosecuted.

If you are using a Saver ticket, you must only get on at the front of the bus and hand the Staff Receipt to the driver. On Heritage Routemaster buses, you must give your Saver ticket to the conductor at the first reasonable opportunity.
5.1.8 Platform tickets. If you intend to go into a compulsory ticket area, do not intend to travel and don’t already have a valid ticket, you must buy a printed platform ticket. It will be valid for 60 minutes from the time you buy it. Platform tickets cannot be used for travel.

5.2 Using travel concessions

5.2.1 If a photocard is needed, you can only use your ticket or Oyster card when you have your photocard with you. This also applies to Oyster photocards when used with a printed ticket.

If you are travelling free or at child-rate, our staff have the right to ask you about your age but will only do so where they have reasonable doubt about whether you are eligible for such travel.

If you have an Oyster photocard or Oyster card with a discount on it, you cannot lend or transfer it to anyone else.

If you have an Oyster card or Oyster photocard with a discount on it, you can only use it if you have the appropriate supporting photocard or National Railcard with you at all times, including when you are buying a ticket or adding credit to pay as you go, irrespective of the service you are using.

5.2.2 Any season ticket you have must not expire later than the expiry date of the photocard which you are using it with or later than the expiry date of your Oyster photocard.

5.2.3 Under 11 year olds

On Buses
You can travel free at all times.

On the Tube
Children under 5 years old can travel free at all times when with a person aged 16 years or older who holds a valid ticket or is using pay as you go.

Up to 4 children aged 5 to 10 can travel free at all times if accompanied by an adult. For this purpose, an adult can be anyone aged 16 or over using an adult rate ticket (not Group Day Travelcards), pay as you go or free travel concession.

Children aged 5 to 10 years travelling without an adult as defined above may travel free on buses and Underground with their valid 5-10 Oyster photocard.

5.2.4 11 to 15 year olds

You will not be able to travel by bus or tram if you do not have your 11-15 Oyster photocard with you or if it has stopped working or is damaged. You will need to pay the relevant adult fare for your journey using another Oyster or contactless payment card.

On the Tube, you may buy and use child-rate single, return and Day Travelcards without the need for an 11-15 Oyster photocard.

5.2.5 National Railcard or Gold Card discounts

If you hold
a) a 16-25, 26-30, Senior or HM Forces Railcard and an Oyster card with the National Railcard discount set on it
b) an Oyster card which both holds an adult-rate annual Travelcard and has the associated Gold Card discount set; or
c) an Oyster card on which a Gold Card discount has been set in association with a printed adult-rate annual Travelcard or National Rail point-to-point season ticket

your off-peak Oyster daily cap will be a third off the equivalent adult-rate daily cap. Individual off-peak pay as you go fares for journeys by Tube, DLR, London Overground, TfL Rail or National Rail will also be a third lower than the equivalent adult rate for the journey. These discounts are only available to the card holder. You must register your Oyster card and once the discount is set on it, you cannot not lend or transfer your card to someone else. You must carry your National Railcard with you at all times, irrespective of the service you are travelling on and present it for inspection when asked.

If you hold a Railcard and are travelling with other people who are eligible for a discount on any printed tickets bought in association with your Railcard, the entire group, including you, must buy and use printed tickets.

If you hold a Disabled Persons Railcard and an Oyster card with the Disabled Railcard discount set on it, you can get a third off pay as you go fares and daily caps at any time.

If you have an Oyster card with your Disabled Railcard discount set on it, pay as you go credit loaded on it and are travelling with a companion who is eligible for a discount on any printed tickets bought in association with your Railcard, you, as the Railcard holder, may use pay as you go instead of buying a printed ticket.

If you hold an Annual season ticket (Gold Card) valid in Zones 1-6, either on an Oyster card or as a printed ticket, and you wish to travel with a companion holding an Off-peak Day Travelcard bought at a discount in association with your Gold Card you, as the Gold Card holder, do not need to buy a separate ticket. If the journey you are making isn’t covered by your Gold Card, then you must buy a ticket before you travel.

5.3 Paying for tickets and adding credit to your Oyster card. Information about the fare you should expect to pay and how you can buy tickets and put pay as you go credit on your Oyster card is at tfl.gov.uk/fares and in publicity at ticket selling outlets.

If you buy a season ticket or add credit to your Oyster card with a debit/credit card that is not honoured, the season ticket or pay as you go will be invalid from the time it was issued or added to your Oyster card. In such cases, we can charge you the appropriate full cash or pay as you go single fare for all journeys you make using the invalid ticket or Oyster card and we can stop the card.

6. Replacement tickets and Oyster cards

6.1 Replacement Oyster cards. If your Oyster card is damaged or will not work on our yellow or pink card readers we may replace it free of charge. You can ask us to do this at any Underground station, from an online account or by calling TfL Customer Services. You may be asked to give your name and address for administration purposes. Note that a One Day Bus & Tram Pass on Oyster will not be replaced.
If your Oyster photocard doesn’t work when you touch it on a yellow card reader, it may be faulty. If there is no visible damage such as scratches, cracks or bends, call TfL Customer Services to get a free replacement. We may ask you to send in the failed card to confirm that it’s faulty.

You can report your Oyster photocard lost, stolen or damaged online at tfl.gov.uk/photocard Once reported, we’ll cancel it and send you a replacement. You will need to pay an admin fee for a replacement.

If your Oyster card or Oyster photocard has a negative pay as you go balance, you will be asked to clear it before we replace your card.

If we issue you with a replacement Oyster card with a Travelcard on it and the original ticket was issued under National Rail’s Conditions of Travel, then these Conditions of Carriage will apply subject to you not suffering any loss as a result.

If your Oyster card or Oyster photocard had a discount on it eg Railcard, you should get the discount set on your replacement card.

6.2 Duplicate printed 7 Day season tickets. We do not issue duplicate tickets or give refunds for lost printed 7 Day season tickets.

6.3 Duplicate season ticket and/or pay as you go on an Oyster card

Unregistered Oyster cards. If your unregistered Oyster card is lost or stolen, we will not issue a duplicate or make a refund of any season ticket or pay as you go credit on your card at the time of loss/theft or make a refund of any additional fares paid following the loss/theft.

Registered Oyster cards. If you lose your registered Oyster card or it has been stolen, you must report this to us as soon as possible. You can report it from your online account or call TfL Customer Services. Once we have verified your details, we will stop your card. If you subsequently find your lost/stolen Oyster card, you must not start using it again. Instead, you should dispose of it securely.

If you lose your registered Oyster photocard, smartcard or Oyster card with a discount set on it, or it has been stolen, go to tfl.gov.uk/refunds to find out what to do or call TfL Customer Services.

Season tickets. If your registered Oyster card has an adult-rate season ticket on it, we will generally aim to replace your ticket. You should get a new Oyster card, create or sign into your online account or call TfL Customer Services to arrange to transfer your ticket to this new card. We may, in exceptional circumstances, send you a replacement Oyster card with your ticket loaded on it.

In some cases, generally where there are fewer than five days left on your ticket, we will arrange a refund. We will refund the remaining value of the season ticket, less an administration fee (currently £5). The amount of the refund will be worked out from the time and date that we verify your details once you have reported your card missing. If your missing Oyster card also has pay as you go credit on it, any credit remaining on the missing card will be refunded.

Any deposit paid for the lost/stolen Oyster card will not be refunded.

If you lose your registered Oyster card with an adult-rate season ticket on it, you will need to buy tickets or use pay as you go whilst waiting for your duplicate ticket to be issued. If you have to wait longer than five days from the time you report the loss of your Oyster card (and we have verified your details) to be transferred to your new Oyster card or for a new Oyster card with your
duplicate ticket on it to be issued, a refund assessed pro-rata to the original cost of the missing season ticket, will be made for each additional day over the five days. Any such claim must be made within 28 days of the date your duplicate season ticket or new Oyster card is received and you will need to provide proof that you bought tickets or used pay as you go on each day you claim for. Claims cannot be made after this time.

We do not refund any fares paid before you reported the loss of your Oyster card and we have verified the details or if we do not agree to issue a new Oyster card with duplicate season ticket on it.

If the loss of your Oyster card is a result of theft or other exceptional circumstances which have been reported to the police or other appropriate organisation, you should be able to provide confirmation of the circumstances from the relevant authority on request eg a crime reference report from the police or a Victim Care Card. We will then refund any daily fares paid whilst waiting for your duplicate season ticket to be transferred to a new Oyster card or for a new Oyster card with a duplicate season ticket to be issued. When you apply for a refund, you will need to provide proof that you bought tickets or used pay as you go on each additional day. We refund additional fares where they are covered by the availability of your season ticket. We will not refund for the period before you reported the theft/ destruction of your Oyster card and we have verified the details or if we do not agree to issue a duplicate. You must claim within 28 days of the date your duplicate season ticket or new Oyster card is received. Claims cannot be made after this time.

We issue duplicate tickets for Oyster cards at our discretion. We may ask you to provide additional information or to attend a meeting to discuss your application for a duplicate ticket. We reserve the right to refuse to issue a duplicate ticket. We do not issue duplicates or give refunds for lost printed season tickets that are valid for 7 days or less.

If we issue you with a new Oyster card with a duplicate season ticket on it and the original season ticket was issued under National Rail's Conditions of Carriage, then these Conditions of Carriage will apply subject to you not suffering any loss as a result of this.

**Pay as you go credit.** If your registered Oyster card only has pay as you go credit on it, you should create an online account (or sign in) or call TfL Customer Services to transfer your pay as you go credit to a new Oyster card. Alternatively, we may refund the remaining pay as you go credit to you. You may have to pay an administration fee (currently £5). Any refund or transfer will be worked out from the date and time that your report of loss has been verified.

We transfer pay as you go credit to a new Oyster card or make a refund at our discretion. We may ask you to provide additional information or to attend a meeting. We have the right to refuse to issue a new Oyster card with pay as you go credit or to refund any pay as you go credit.

We will not refund any deposit paid for the lost/stolen Oyster card or of the value of any daily fares paid.

**7. Penalty fares and fare evasion**

**7.1** A penalty fare of £80 applies on London Bus Services Limited and London Underground Limited. This is reduced to £40 if paid within 22 days from the day the penalty fare notice is issued.

If you wish to appeal against a penalty fare, the appeals process is outlined on the penalty fares notice issued at the time. Details of who to contact about this and how are shown in Appendix 3.

**7.2** If you are travelling on one of our buses without:
• a ticket that is valid and available for the journey you are making
• a validated Oyster card or Oyster photocard showing a record of the start of your journey
• a validated contactless payment card

or you are within the compulsory ticket area on the Underground or travelling on an Underground train without:
• a ticket that is valid and available for the journey you are making
• an Oyster card, Oyster photocard or other smartcard containing a valid season ticket
• a validated Oyster card, Oyster photocard or other smartcard, when you are paying as you go, showing a record of the start of your journey
• a validated contactless payment card

and we believe that you are trying to avoid paying the correct fare, you may be issued with a penalty fare or you may be prosecuted. If the court finds you guilty you risk a fine or imprisonment.

You may be issued with a penalty fare where you have not touched in, even if we subsequently resolve this incomplete journey fare using our automated processes.

7.3 If we believe that you have used or tried to use any ticket, Oyster card, Oyster photocard or smartcard to defraud us we may cancel and not re-issue it. If this happens, we will not give you or the rightful holder a refund of the remaining value of the ticket, or refund any credit or deposit paid for the Oyster card.

If we believe that you have used or tried to use a contactless payment card to defraud us, we may prevent it from being accepted for travel in future

7.4 If we believe that your ticket or Oyster card (or your photocard) has been tampered with we may withdraw it. If this happens, we will not return it or replace it or give you a refund of the remaining value. If your ticket or Oyster card (or your photocard) is damaged to such an extent that it cannot be read or will not work on our yellow or pink card readers, we will withdraw and not return it but may, at our discretion, replace it. In either case, you must hand over the ticket or Oyster card and/or photocard if we ask you to do so.

Your Oyster photocard may be withdrawn if you do not pay any penalty fare that is issued to you.

8. Refunds

8.1 Refunds for delays

8.1.1 For information about delays and cancellations, check publicity at stations or go to tfl.gov.uk/status-updates

8.1.2 If we or our contractors fail to run the advertised bus or Tube services or if there are delays to those services, we may compensate you.

8.1.3 If your Tube journey was delayed by 15 minutes or more for reasons within our control, we will refund you the single pay as you go fare for the journey on which you were delayed. We will refund the cash value, for the delayed Tube journey, if you bought a paper single or return ticket. You must apply online within 28 days of the delayed journey.

8.1.4 You can’t get a refund if your journey was delayed as a result of planned service changes and engineering works or for a reason outside our control, like:
- a security alert
- a customer incident, e.g. a person ill on a train
- adverse weather conditions

8.1.5 If you use an alternative route to your destination due to planned or advertised service changes, you are not eligible for a refund.

8.1.6 If you have a free travel concession and you are delayed, you are not eligible for a refund.

8.1.7 If our Tube services are disrupted by strike action and your journey takes longer than normal, refunds are not payable. Service delay refunds will be suspended during strike action. We may offer a goodwill payment - contact TfL Customer Services to find out more.

8.1.8 If our bus services are disrupted by strike action, you can contact TfL Customer Services for guidance.

8.2 Season ticket refunds on Oyster cards

8.2.1 We will not give you a refund for a season ticket (including any pay as you go credit) on a lost or stolen unregistered Oyster card.

8.2.3 We will normally refund the remaining value of a season ticket that you no longer need provided that as soon as you stop using it you ask us to cancel it or you do so via your online account. The amount of the refund will be worked out from that date. Your Oyster card will be stopped.

8.2.4 Where a refund is payable, it will be based on what you paid for the ticket and how long you actually used it for. We will calculate the difference between the price you paid and the cost of a ticket(s) for the period you actually travelled. This means that the amount that we pay back will not usually be in direct proportion to the original cost of the season ticket. If it is near to its expiry date when you return it to us or cancel it, there may be no refund due. An admin fee (currently £5) will usually be charged. Any deposit paid will be refunded.

When you apply for a refund, there must be at least seven days remaining on a Monthly ticket and three days remaining on a 7 Day ticket. On some 7 Day tickets, there may be no refund due after three days of use. Generally on an Annual ticket, no refunds are due after about 10½ months.

8.2.5 Refunds will not include any days when you did not use your season ticket before you returned it to us or had it cancelled.

In cases of illness, the refund can be backdated if you provide suitable evidence and provided that you have not travelled using your season ticket since your illness. If you cancel your season ticket within six weeks after the start of your illness, we will work out your refund from the start of your illness. If you cancel your season ticket more than six weeks after the start of your illness, we will work out your refund based on your season ticket having been used six weeks prior to the cancellation date.

If you have an Oyster card with a season ticket on it, you must not use your Oyster card again if you intend to claim a refund. You should contact TfL Customer Services who will tell you what to do. If you do use your season ticket again or any pay as you go credit on your Oyster card, before the season ticket is cancelled, we will not give you a refund.

8.2.6 Where your Oyster card is unregistered and you contact TfL Customer Services for a refund, you will be required, for administration purposes, to provide your name and address.
9. Taking luggage, animals and bicycles with you

9.1 For safety reasons, and for the comfort of other passengers, we have to control what you can bring with you onto our buses, Underground trains and property, although we do not charge you for the things we allow.

Our buses and Tube trains can be busy so you must ensure that what you bring with you does not get in the way of others.

If you have luggage, shopping, a folded buggy/pushchair, a shopping trolley or a folded bicycle you must not put it on the seats or allow it to block the aisles, stairs, lifts or passages. On buses, unfolded cycles are not permitted.

9.2 You may bring with you:
- personal luggage that you are able to carry yourself (including on stairs)
- folding buggies/pushchairs and folded bicycles that you are able to carry yourself (including on stairs)
- any other item, provided it is not dangerous or likely to injure anyone.

9.3 You must not bring with you anything that:
1. is more than 2 metres long
2. you are unable to carry yourself (including on stairs)
3. is hazardous or inflammable
4. is likely to cause injury or obstruct other customers or staff
5. is likely to cause damage to buses, Underground trains or stations.

9.4 Staff can refuse permission for you to take any item onto our services.

9.5 Please keep your luggage and possessions with you at all times. Unattended property is a security risk and can cause unnecessary delays to services. It may be removed by our staff, and may be destroyed by the Police. We have the right to prevent you from bringing anything onto buses, Underground trains and property if we believe it may create a security risk.

9.6 You can take a buggy/pushchair with you on any line at any time, including on moving escalators. If you have a double or tandem buggy/pushchair, you must fold it before using a moving escalator. If it cannot be folded, you must not use a moving escalator.

You can take a folded bicycle with you on any line at all times. Note that a folded bicycle can have wheels of any size. Find out more about taking your bicycle on our services at tfl.gov.uk/modes/cycling/cycling-in-london/bikes-on-public-transport

You can also take an unfolded bicycle with you, but only on the sections of line shown below, and not between 0730 and 0930 or 1600 and 1900 on Mondays to Fridays (except public holidays). You cannot take an unfolded bicycle on a moving escalator.

9.7 You can take an assistance dog on our bus and Underground services. You can also take any other dog or inoffensive animal on our bus and Underground services, unless there is a good reason for us to refuse it (such as if the animal seems dangerous). You must keep it under control on a lead or in a suitable container, and must not allow it on a seat. Staff are not allowed to take charge of any animal.

9.8 At stations, if you bring an animal with you, you should use the wide gates or carry it through the gates. If you have an assistance dog, at stations where there is no wide gate, you must ask a member of staff to open the gates to allow you to enter or leave a station.

9.9 At Underground stations, if you bring an animal with you, you must use a staircase or lift where provided. If there is no staircase or lift and you need to use a moving escalator, you must carry your animal unless you have an assistance dog that has been trained to walk on moving escalators. If your animal is too large to carry, a member of staff will stop the escalator to allow it to travel on it when it is safe to do so (generally outside the rush hours and when the station is not busy).

Appendix 1 Our Ticket Types and conditions
The tables below give information about the availability and validity of our most popular tickets, the rules controlling their use and any special conditions that may apply to them. For more information on fares and concessions go to tfl.gov.uk/fares

It is your responsibility to ensure you have the correct ticket or have validated your Oyster card or contactless payment card correctly for the journey you are making.

As well as the ticket types shown in these conditions, we sell or issue other tickets that are subject to special conditions (as shown on the ticket or in supporting publicity). Where these special conditions conflict with the ones shown in these conditions, the special conditions apply instead.

If we introduce new tickets, photocards, products or ticketing facilities while this version of the conditions is in force, we will publish information about them separately until we re-issue.
