9  London River Services validator

For further information
Foreword

The TfL Validator graphic standard has been designed to ensure consistency of graphic notices across all TfL validators.

For guidance on the correct use of the notices, please contact the TfL Graphics team (corporatedesign@tfl.gov.uk).
Compulsory vinyls
Vinyls A, B and C must be applied to all small yellow validator machines.

Select the appropriate vinyl C to be applied to the top front panel.

Oyster and contactless users must touch in

You must touch your Oyster or contactless card flat on this card reader before boarding the tram if using pay as you go, or travelling to Wimbledon with a Travelcard or Bus & Tram pass.

Valid cards will show 'Board tram' on the display.

If 'Seek Assistance' is shown, make a note of the code number and call TfL Customer Services on 0343 222 1234 or use the Help point located on the platform.

Contactless payments accepted:
