England play France at Twickenham Stadium on Saturday 15 August 2015 and there will be special taxi and private hire arrangements in place for this match.

The match kicks off at 20:00 and road closures in the area will be in place from 17:00 until around 00:00 (midnight).

### Taxis

Taxis will be able to drop off passengers in London Road before the match kicks off. There will also be two taxi ranks in operation:

- [Arragon Road](#) – the rank is for approximately 31 taxis

### Private hire

Private hire drivers will be able to drop off passengers in [London Road](#), between Chertsey Road and Cole Road, before the match. Private hire drivers with pre-bookings will then also be able to pick up their passengers in the same location after the match. There will be stewards checking that drivers have a booking and controlling access to the private hire pick up area. Only private hire drivers who can show that they have a pre-booking will be allowed to access the area.

There will be a shuttle service operating from London Road for any disabled taxi or private hire passengers who need assistance with getting to the stadium.

Stewards will be managing access to and from the taxi and private hire areas. The taxi and private hire arrangements will be tested at this event and if successful retained for Rugby World Cup matches at Twickenham Stadium.
