West London
Sub-Regional Transport Plan: addressing the challenges

Challenges and priority work areas

- Improve air quality to meet and exceed legal requirements and ensure health benefits for Londoners
- Counteract the rise of cycling and walking in the sub-region
- Meet CO2 targets

- Improve route capacity and manage congestion
- Improve access to, from and within key locations
- Enhance the efficiency of freight movement
- Improve buses and pedestrian connectivity

- What is the priority work area?
- Cycling enhancements with connections across boroughs
- WestTrans is looking at a cycling strategy for the west sub-region
- Investing in area, cycle, and pedestrian studies to address challenges on the road network
- Freight route enhancements; including planning changes
- Development of Park Royal Quietway (including Chiswick and Wembley)
- Strategic Traffic islands targeting key trip generators (A40, A406, North Circular, A500)
- Cross borough rail and underground station access schemes
