

CONTRACT 8

Part A

Contract Safety Conditions Menu

Contract Safety Conditions Menu

In addition to the mandatory requirements of the document SIS- 621(Section 1) ticks denote the following clauses which are selected from SIS - 622 (Section 2) and SIS - 623 (Section 3) apply to the contract noted below.

These, together with any additional LUL documents such as Engineering Instructions, Rule Book, Safety Alerts etc., noted on this menu, shall form a mandatory part of this Contract and shall be complied with by all Contractors who undertake work on Railway property on behalf of LUL.

Clauses worked with a cross are not applicable to this contract.

Contract No: TT250 Contract Name: NORTHERN LINE MODERNISATION

Contractor: GEC ALSTHOM N.L. SERVICE PROVISION LTD.
