

TRANSPORT FOR LONDON
SURFACE TRANSPORT PANEL MEETING

9 NOVEMBER 2010

ACTIONS LIST

Actions from the last meeting

Minute No.	Item/Description	Action By	Target Date	Status note
21/06/10	<u>Managing Director's Report</u> Consideration to be given to appropriate locations of cycle/HGV campaign posters to increase HGV driver awareness, also to the possibility of text being in languages other than English.	David Brown	-	The campaign is posted at strategic sites across London where there are known higher risks. There has not previously been a requirement to produce the campaigns in different language formats, which would be more costly, but the campaign is highly visual by design with minimal text.

26/06/10	<u>Blackwall Tunnel Northbound Refurbishment</u> Consideration to be given to how best to improve access to tunnel closure information on the TfL website.	Garrett Emmerson	-	Traffic is working towards a solution to improve access to information.
