

Beware of Pension Scams

We recently published our annual newsletter that contains a two-pager highlighting the things to look out for in relation to pension scams.

Here's just one example* of the sort of things that are out there on social media.

It references the TfL Pension Scheme, but the name is close enough to our scheme name to be misleading.

- Our scheme is the TfL Pension Fund
- There have been no changes to the TfL Pension Fund
- We are not offering cash lump sums as this post would imply

Don't be tempted by unsolicited offers that seem too good to be true; take a look at pages 4 and 5 of our newsletter to find out the telltale signs of a potential scam.
