  - (b) Regular items (annual, half-year or quarterly) which are for review and approval or noting: Examples for this Committee include the half yearly update on Group Treasury Activity and the Prudential Indicators Outturn.
  - (c) Matters reserved for annual approval or review: Examples include the treasury management strategy and policies on derivative investments.
  - (d) Programmes, Projects and Land Transactions at a level requiring Committee approval or review prior to Board approval. These are scheduled following advice from the operating businesses.
  - (e) Items requested by Members: The Deputy Chair of TfL and the Chair of this Committee will regularly review the forward plan and may suggest items. Other items will arise out of actions from previous meetings (including meetings of the Board or other Committees and Panels) and any issues suggested under this agenda item.
