Transport for London produce a number of documents including London Overground, TfL Rail, London Trams, Emirates Airport Rail Link (EAL) and the London Overground (LO) which are all under the control of Transport for London ( TfL).

These documents include:
- **Audio Tube map**: A map of the London Underground that includes audio descriptions of stations and services.
- **Index to stations**: A detailed index of stations with information on facilities, grid zones, and special services.
- **Grid Zones**: A map showing the different grid zones for the London Underground, London Overground, and DLR.
- **London Overground only)**: Certain stations listed are exclusively for the London Overground service.
- **London Overground and DLR**: Stations that are accessible for both the London Overground and District Line DLR services.
- **Special**: Stations that are accessible for special services or have additional facilities.
- **London Trams only)**: Stations that are exclusively accessible for London Tram services.
- **City line and TfL Rail only)**: Stations that are accessible for the City line and TfL Rail services.
- **Jubilee line only)**: Stations that are accessible for the Jubilee line only.
- **Aldwych (Zone 1)**: A station with direct access to the Duchy of Cornwall Hotel.
- **Special**: Stations with additional facilities or services.
