Graffiti damage

“ I am not hurting anyone. It’s a laugh. I only do it when I’m bored or when I am out with my mates. Everyone does it, don’t they? No one really cares about it! ”

The passengers on the bus, the Bus Depot Manager and Matt will all have different feelings about seeing graffiti. Use the table below to record what their feelings might be.

Making a journey better

Creating an argument

Read the following statements. Imagine you are one of these people and write a detailed argument from their point of view

“ People who graffiti should be given a chance to clean up the mess they have made ”
- Nina

“ Graffiti is anti-social and I believe if you are caught you should pay a heavy fine - up to £2,000.”
- Kaysor

“ I strongly believe that people deserve a prison sentence for causing damage in our community.”
- Sam
