

# Northern line closure - key alternative Tube and Rail routes

The Northern line will be closed between Kennington and Moorgate

from Saturday 15 January to mid-May 2022

During this time, many lines and stations will be busier. Waterloo, Embankment, Tottenham Court Road and London Bridge stations will be exceptionally busy at peak times. For a more comfortable journey, please travel at quieter times between 08:45 and 16:30 and after 18:45 or use alternative routes such as Thameslink services from Kentish Town.
