

Northern line closure - walking routes

The Northern line will be closed between Kennington and Moorgate from 15 January through to mid-May 2022.

During this time it may be easier to complete your journey on foot, especially during the busier times on our network, which are between 07:45 and 08:45 and between 16:30 and 18:45.

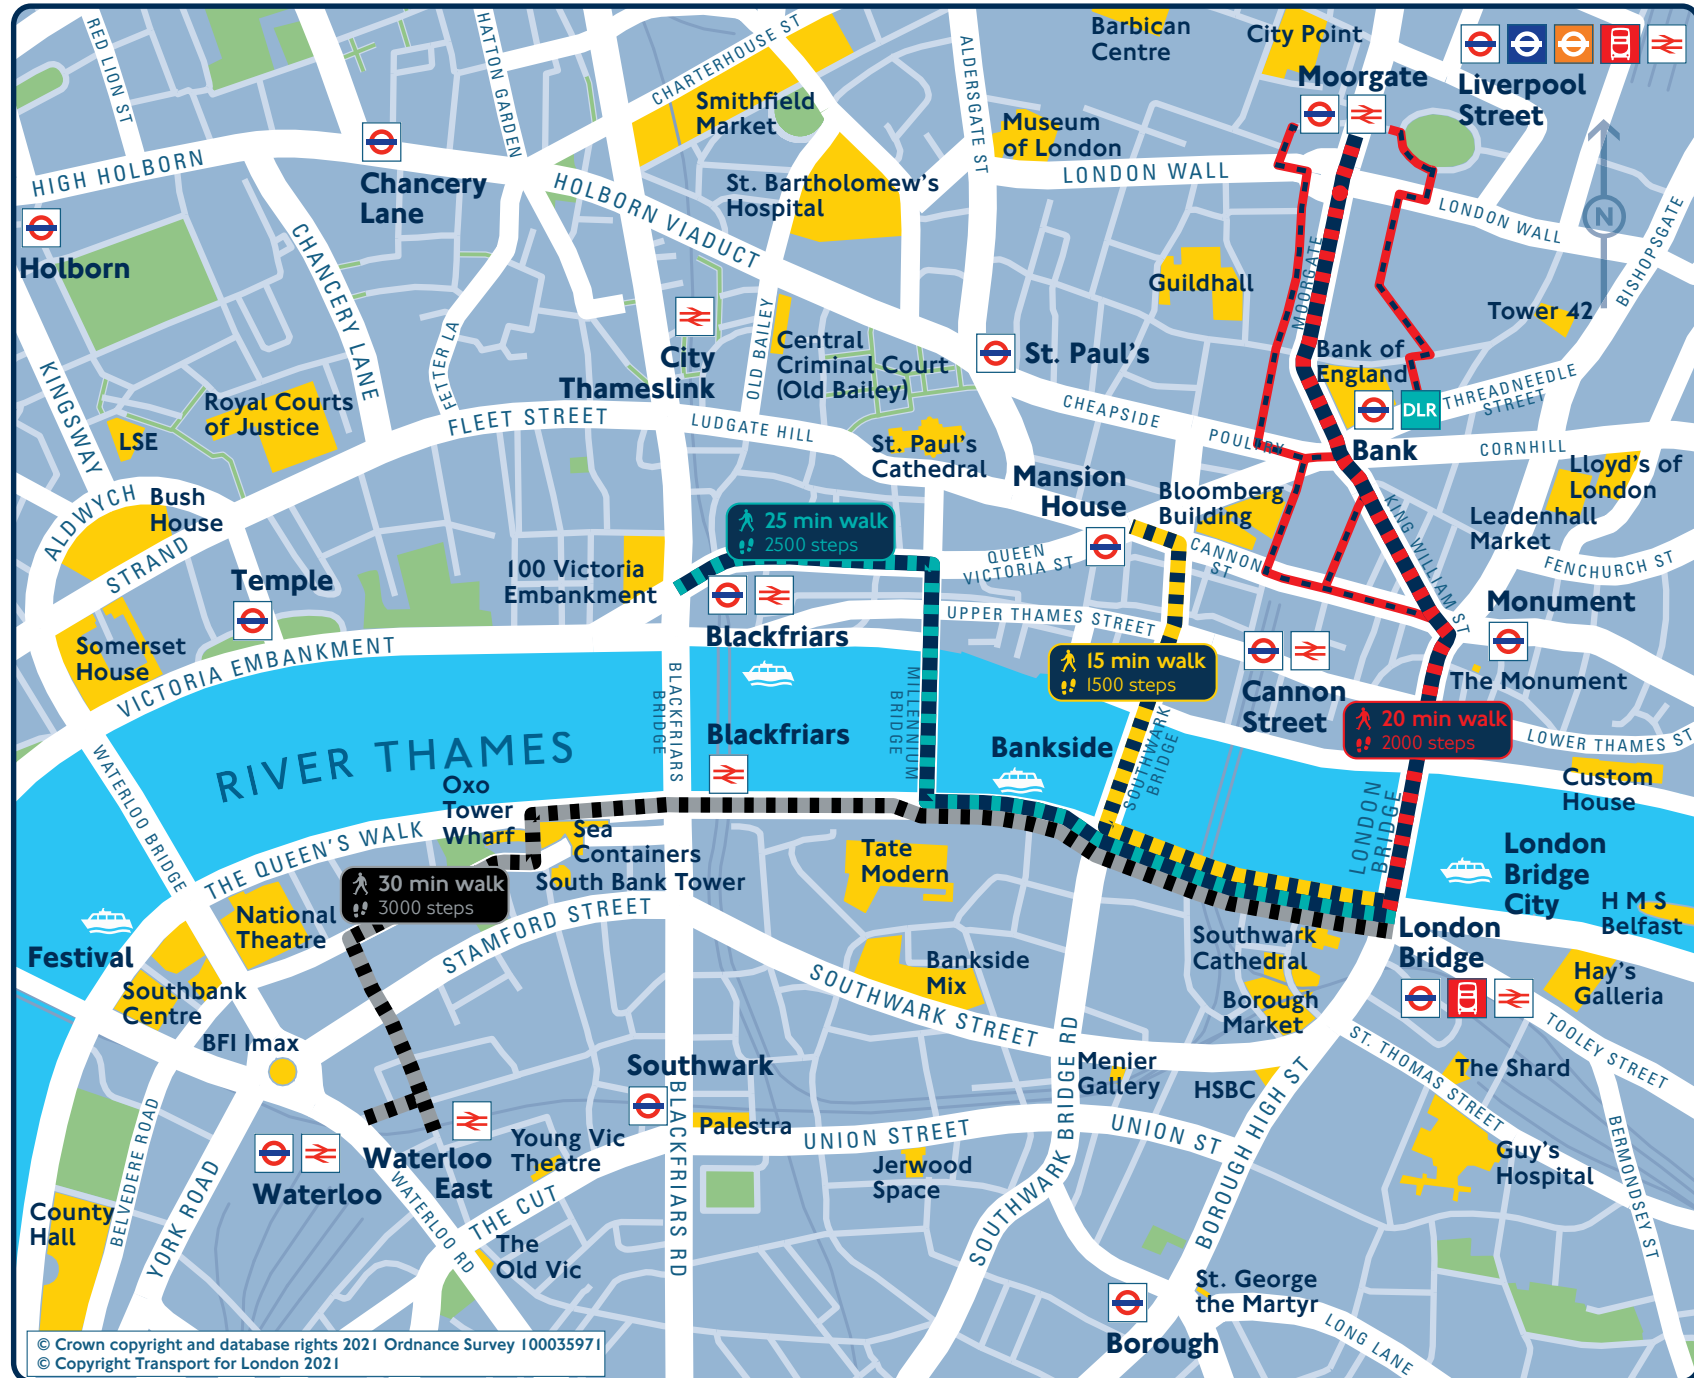

We've suggested some walking routes to get you between some of the key stations in The City and Southwark. Look out for on-street signage to help you get around.
