## Starter questions

Use these key questions as an initial starting point during any circle time activity.

Should I do a test run before?

What time will I need to leave home in order to arrive on time?

How do I know if they are a safe person?

What will I need to take with me on my journey?

Should I learn more than one route?

Who will I be travelling with?

Do I need to tell someone how I will be travelling?

Who do I talk to if I need some help?
