Surface Transport Panel Actions List (reported to the meeting on 11 February 2015)

Actions from the Last Meeting

Minute No.	Item/Description	Action By	Target Date	Status note
52/10/14	<p>Managing Director's Report Members discussed the commercial viability of retrofitting low-emission engines to buses and it was agreed that Steve Wright be sent a note outside of the meeting with figures of the number of vehicles involved in the assessment.</p>	Leon Daniels	-	TfL is engaging with current suppliers of selective catalytic reduction suppliers to develop solutions capable of raising Euro V hybrid buses to the Euro V1 standard for NOx and PM. The companies will assess potential options prior to undertaking a trial of systems in mid 2015.
	Officers to enquire whether the Mayor was able to influence the use of green vehicles by the London Ambulance Service.	Leon Daniels	-	The first hybrid vehicles will be retrofitted from 2015 to understand the technological and cost implications with remaining Euro V hybrids being upgraded as part of the ULEZ proposal. TfL continues to retrofit conventional diesel Euro III buses with selective catalytic reduction (SCR) equipment and has fitted around 1,050 to date and will increase this number to at least 1,800 by the end of the year.
			-	The London Ambulance Service is part of the Cleaner Vehicle Forum and regular discussions are held. This issue has been raised and discussions are on-going.

Minute No.	Item/Description	Action By	Target Date	Status note
	Members be kept informed of events in future.	Leon Daniels		Events Team informed.
55/10/14	<p>Measuring Walking in London Officers to contact Dr Catherine Holloway, University of Central London, who had attended a briefing session of the Safety, Accessibility and Sustainability Panel, to discuss issues of accessibility and design, including dropped kerbs, removal of railings and use of tactile paving.</p> <p>That officers look at the options of promoting walking apps for mobile phones and expanding the use of Legible London signs to further promote walking.</p>	<p>Rhona Munck</p> <p>Rhona Munck</p>	-	<p>TfL is drafting London's first Pedestrian Design Guidance (PDG) to ensure street designs deliver the best outcomes for pedestrians. The PDG is programmed for public consultation February/March 2015 and Dr Holloway will be contacted as part of this process.</p> <p>TfL has previously looked at options to develop apps to promote walking and Legible London but this was not taken forward given the extent of online mapping available in the market.</p> <p>TfL's target is to deliver 3,000 Legible London signs by 2012 and will continue to look at other ways to further promote walking.</p>

Actions from previous meetings

51/10/14 45/07/14	<p>Matters Arising and Actions List Officers were currently investigating improving the quality of glass specification installed in buses to improve temperature control as part of the procurement process,</p>	Mike Weston		All windows on buses are currently tinted at 65 per cent to reduce solar gain. Increasing the tint further reduces inward and outward visibility through the glass which would be detrimental to

Minute No.	Item/Description	Action By	Target Date	Status note
	and a further update would be provided at a future meeting.			passengers. TfL is in discussions with suppliers over types of film which can laid over glass to further reduce solar gain (lessening the greenhouse effect of sunlight adding heat to saloon areas) without making a significant difference to passenger visibility through windows. It is anticipated more detail on types of film and costs will be available in the spring 2015.
38/04/14 44/07/14	<p>Matters Arising and Actions List A note to be circulated on the outcome of the further consideration of providing Christmas Day bus services.</p> <p>The Panel to receive an update report on crime figures on the night bus network in six months.</p>	Leon Daniels Steve Burton	22 October 2015 meeting 11 February 2015 meeting	In progress. A full report will be presented to meeting of 22 October 2015 once analysis has been completed. On agenda. Completed.
38/04/14	<p>Managing Director's Report A report to be submitted to a future meeting on possible improvements for pedestrians at Euston and King's Cross St Pancras, including signage, better integration between the stations and quality of paving.</p>	Garrett Emmerson	-	In progress. A site visit will be arranged.
39/04/14	<p>2014/15 Performance Measures and Targets Future targets to be presented to Members for consultation prior to publication.</p>	Patrick Doig	11 February 2015 meeting	A briefing session will be held after the meeting. Completed.

Minute No.	Item/Description	Action By	Target Date	Status note
33/02/14	Managing Director's Report The outcome of the scheduled review of social needs transport to be submitted to a future meeting.	Silka Kennedy-Todd	13 May 2015 meeting	In progress. A further update will be provided at the meeting.
