Foreword

1 National Rail yellow validator - standard (small version)
2 National Rail yellow validator - ruggedised (large version)
3 National Rail E2 gate

Further information
Foreword

The National Rail validator and gateline graphics standard has been designed to ensure consistency of contactless graphic notices across all TfL managed National Rail validators.

For guidance on the correct use of the notices, please contact the TfL Graphics team (corporatedesign@tfl.gov.uk).

Contactless and smartcard users

You must touch in on the yellow reader at the start of your journey and touch out at the end to pay the right fare.

If you don’t, you may pay more than you need.

For fares information and terms and conditions go to tfl.gov.uk/fares.
