

## Heathrow Terminal Drop-Off Charge

On 1 November 2021 Heathrow Airport Limited (HAL) introduced a Terminal Drop-Off Charge (TDOC).

This is a £5.00 charge, per visit, when vehicles use the designated drop-off zones located directly outside the airport terminals.

More information about the TDOC is available on the [Heathrow Airport website](#). This includes information about Blue Badge holders who are eligible for a 100 per cent discount, including when they are being dropped off by a taxi or private hire vehicle (PHV).

### Taxis

HAL has confirmed that TfL-licensed taxis (black cabs) will receive a 100 per cent discount from the TDOC until 1 April 2022.

The TDOC will be managed by APCOA Parking on behalf of HAL. Whilst TfL-licensed taxis are eligible for a 100 per cent discount we will provide APCOA Parking with licensed taxi vehicle registration marks (VRMs) in a secure manner so they can identify these vehicles and not charge them.

More information about how we use personal data for taxi and PHV licensees to administer taxi and private hire licensing, including how long information is kept and the circumstances in which we might disclose it to a third party is provided on our [website](#).
