Tendering Programme Update

13th May 2024

The current contracts for the following routes will now terminate early:

55/N55 (QC77201): termination date 28th February 2025.

56 (QC77202): termination date 28th February 2025.

304 (QC62603): termination date 6th June 2025.

308 (QC77401): termination date 7th March 2025.

397 (QC77601): termination date 28th February 2025.

415 (QC77701): termination date 7th March 2025.

488 (QC77301): termination date 28th February 2025.

677 (QX77902): termination date 14th March 2025.

U5 (QC78001): termination date 21st March 2025.

W16 (QC77502): termination date 7th March 2025.

These routes will therefore be added to the Tendering Programme in supplementary tranches 908A, 908B, 908C, 909A, 911A and 921A. The Tendering Programme is revised as shown in the following tables:
