

Tendering Programme Update

9th May 2025

The current contracts for routes 119/N119, 664 and H32 will now terminate early, therefore they have been added to the Tendering Programme in supplementary tranches 951A and 971A.

Invitations to Tender still to be issued in the Tendering Programmes for 2025/26 and 2026/27 are therefore as follows:
